A F3 KIT BOX iniciou suas atividades em 05 de maio de 2014 atuando na fabricação e comercialização de kit box de alumínio para vidro temperado, atendendo a todos os profissionais atuantes no mercado do kit box de alumínio para banheiro.

Visando a expansão em sua linha de produtos a mesma mudou-se para novo endereço no dia 19 de setembro de 2014, para uma área ainda maior e de fácil acesso para seus cliente, localizada no bairro São José na cidade de Caxias do Sul.

No dia 13 de julho de 2015 iniciou-se a fabricação de kit engenharia para vidro 8mm temperado, além disso passou a distribuir toda a linha de perfis de alumínio em barras de 6 metros para envidraçamento.

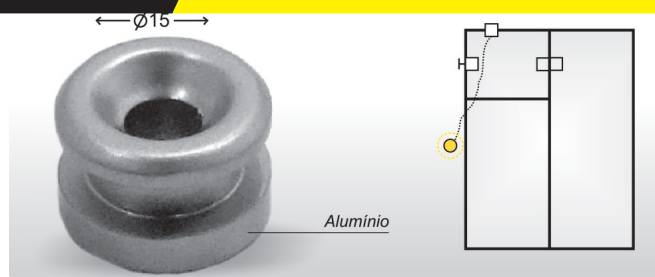

Em dezembro de 2017 e fevereiro de 2018 a F3 KIT BOX inciou os trabalhos de revenda de ferragens para vidro temperado e vidros para box padrão, tornando sua linha de produtos ainda mais completa, assim podendo atender cada vez melhor a carteira de clientes do seguimento vidreiro.

Vimos trabalhando a cada dia para melhor lhe atender, também trabalhamos para garantir a melhor qualidade em nossos produtos e atendimento, pois nossa empresa conta com colaboradores com experiência e conhecimento no ramo vidreiro, podendo lhe oferecer mais que um excelente produto.

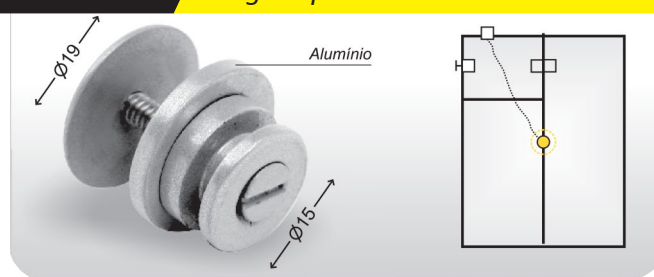

Podemos auxiliá-lo em seus projetos de aplicação de vidro na construção civil, contamos com profissionais com mais de dez anos de atuação neste mercado.

Caso você queira um suporte técnico na definição de medidas dos seus vidros antes de passar seu desenho final às temperas, ou precisa de orientação quanto a utilização correta de ferragens e perfis de alumínio para um melhor envidraçamento, contate-nos, será um prazer atendê-lo.
